 - i. Complying with the Agreement.
 - ii. Ensuring the accuracy, quality, and legality of [Customer Data](#) and how it is obtained and shared with Adverity.
 - iii. Using all reasonable efforts to prevent unauthorized access to /or use of the SaaS and promptly notifying Adverity of any such incidents.
 - iv. Using the SaaS in line with the Documentation and applicable laws and regulations.

Customer subscribes to the SaaS for their own use. However, sharing SaaS-generated data with third parties through the SaaS features created to that effect may be allowed with mutual written consent.

3. Transfer of SaaS

- a. Customer subscribes to the SaaS for its own use and shall not enable access to any third party (e.g. Customer's Clients, Customer's Affiliates, etc.), either against payment or free of charge. For such purposes, a separate Commercial Agreement or an extension of the Subscription is necessary and can be provided.
- b. However, nothing in this MSA shall prevent the Customer from making any data and information obtained from the SaaS available to third parties via the data provisioning features or the dashboard sharing and export functionalities of the SaaS, if this is mutually agreed by the Parties in writing. Additional Fees may apply.

III. Fees and Payment

[Back to top](#)

Customer is responsible for paying specified Fees based on Services purchased. Fees may increase annually, and Queries exceeding limits may incur higher Fees.

1. Service Fees

Customer is responsible for paying the Fees specified in the Commercial Agreement. Except as otherwise specified in the Commercial Agreement, Fees are based on the Services purchased and not actual usage. The Services purchased cannot be decreased during the relevant Subscription Term. If a discounted Subscription Fee is agreed for an initial Subscription Term, the List Price applies thereafter. Additional Services purchased separately during the initial Subscription Term are billed separately and are not part of the List Price.

2. Price Increase

At any time after the initial 12 months, maximum once per calendar year, Adverity may, at its own discretion, increase the Fees by either 7% or the official inflation rate (based on the Consumer Price Index published in Austria by STATISTIK AUSTRIA Bundesanstalt Statistik Österreich in the month preceding Adverity's notice of increase), whichever is higher, to support Adverity's continual efforts to expand and enhance its SaaS. Adverity will notify the Customer about an increase in Fees 60 days in advance.

	3. Query Limit The number of Queries allowed for each calendar month is subject to Adverity's Fair Use Limit, which is calculated at 50 times the monthly Subscription Fee, translated into Queries (for example, EUR/GBP/USD 3000 monthly Subscription Fee = up to 150k Queries). If Customer exceeds the said monthly Fair Use Limit, Adverity will not immediately increase Customer's Subscription Fee or limit access to the SaaS. Adverity will evaluate Customer's requirements and assess Customer's specific needs regularly and reserves the right to increase Fees in case of consistent overuse.
Adverity provides its Services remotely. In the event that Customer requests Adverity's consultants to be on-site, Customer will have to reimburse Adverity for all the travel and out-of-pocket expenses.	4. Expenses Customer must reimburse Adverity for reasonable travel and other expenses related to Implementation Services, Professional Services, Managed Services or Premium Services. Travel costs shall be agreed with the Customer in advance.
Adverity invoices the Customer for all Services with payment as agreed in the Commercial Agreement. Late payments may incur interest and debt collection costs, and suspension of Services may occur if payments are 30 days overdue.	5. Invoicing and Payment Adverity will invoice Customer for all Services in the Commercial Agreement for the initial Subscription Term and renewals as specified in the Commercial Agreement. Customer is responsible for providing complete and accurate billing and contact information to Adverity and notifying Adverity of any changes to such information.
	6. Overdue Charges If any amounts invoiced are not received by Adverity by the due date, then, without limiting Adverity's rights or remedies, - such charges may accrue late interest at the statutory commercial interest rate; - Adverity is entitled to a no-fault and no-damage lump-sum compensation of 40 EUR/GBP/USD for reimbursement of debt collection costs for each outstanding debt; and - Adverity may condition future Subscription renewals and Commercial Agreements on payment terms different than those specified in Section III.5.
	7. Suspension and Acceleration If Customer is 30 days or more overdue on any payments, Adverity may, without limiting Adverity's other rights and remedies, accelerate unpaid Fees and suspend Services until payment is received. Customer will receive at least 7 days' notice before Services are suspended.
	8. Payment Disputes Adverity will not exercise its rights under Sections III.6. and III.7. if Customer is disputing charges reasonably and in good faith and cooperating to resolve the dispute. However, Customer is not entitled to offset its claims against any claim of Adverity under this MSA (or to claim any right of retention) unless Customer's counterclaim is: - undisputed by Adverity; or - confirmed by a binding court decision that cannot be appealed.
	9. Litigation Costs In case of litigation regarding overdue charges, the prevailing Party is entitled to reasonable legal fees and court costs.
Adverity's Fees don't include taxes. Customer is responsible for paying all relevant taxes.	10. Taxes

Unless otherwise stated, Adverity's Fees do not include any taxes, levies, duties, or similar governmental assessments of any nature, including but not limited to value-added, sales, use, or withholding taxes, assessable by any local, state, provincial, federal or foreign jurisdiction (collectively, "Taxes"). Customer is responsible for paying all taxes associated with Customer's purchases hereunder. If Adverity has the legal obligation to pay or collect taxes for which Customer is responsible, the appropriate amount shall be invoiced to and paid by Customer in addition, unless Customer provides Adverity with a valid tax exemption certificate authorized by the appropriate taxing authority. For clarity, Adverity is solely responsible for taxes assessable against Adverity based on Adverity's income, property, and employees.

IV. Term and Termination

[Back to top](#)

The Agreement's duration depends on the Subscription Term agreed in the Commercial Agreement.

1. Term of Agreement

The Term of the Agreement is governed by the Subscription granted by the Commercial Agreement. The Agreement commences on the Effective Date and remains in effect until all Subscriptions granted under the Commercial Agreement have either expired or been terminated ("Term").

The Agreement automatically renews for equal periods unless either Party provides at least 90 days' notice before the end of a Subscription Term.

2. Term of Subscriptions

Subscriptions for the SaaS start on the specified Subscription Start Date in the relevant Commercial Agreement and continue for the specified Subscription Term. Unless stated otherwise in the Commercial Agreement, all Subscriptions automatically renew for additional periods equal to the expiring Subscription Term or one year (whichever is longer), unless either Party gives the other notice of non-renewal at least 90 days before the end of the relevant Subscription Term.

If the Customer continually uses and pays for the SaaS Subscription in the absence of an automatic renewal clause, Adverity deems the Subscription to have been factually renewed as per the conditions of this Section.

The Agreement can be terminated for cause at any time upon 30 days written notice.

3. Termination for Cause

Either Party can terminate the Agreement for cause at any time, in particular:

- a. upon 30 days written notice to the other Party of a material breach if such breach remains uncured at the expiration of such period; or
- b. if the assets of the other Party become the subject of a petition in bankruptcy or any other similar proceeding.

4. Refund or Payment upon Termination

Upon Termination for Cause by Customer, Adverity refunds prepaid Fees covering the remainder of the Term after the Effective Date of Termination. Upon Termination for Cause by Adverity, Customer must pay unpaid Fees covering the remainder of the Term of all Commercial Agreements after the Effective Date of Termination. Termination never exempts Customer from paying Fees incurred before Termination.

5. Termination right in accordance with Article 25 of the EU Data Act

If the EU Data Act applies to Customer and if Customer exercises its right to terminate this Agreement in accordance with Article 25 of the EU Data Act, the Customer must give the Adverity at least two (2) months' prior written notice and shall pay an early termination fee equal to the fees payable for the remainder of the then-current term. It is acknowledged by both Parties that the fee is considered to be reasonable and proportionate under Recital 89 and Article 29 of the EU Data Act.

The Customer's data portability rights remain unaffected: a basic data export is provided at no cost, whereas enhanced migration services may incur a fair, cost-based fee.

6. Return of Customer Data

For 30 days after Termination, Customer Data remains in the SaaS. After 30 days, Adverity will delete Customer Data and destroy any corresponding documents under its control unless required by law to keep the data.

7. Surviving Provisions

Sections III (Fees and Payment), IV.4 (Refund or Payment upon Termination), IV.6 (Return of Customer Data), IV.7 (Surviving Provisions), V (Intellectual Proprietary Rights), VI (Warranties), VII (Indemnification), VIII (Liability), X (Mutual Confidentiality Clauses) and XI (Miscellaneous) continue in effect after termination or expiration of this MSA.
